ARMADILLO STRING QUARTET AT ARCOSANTI!
October 13, 2001

October 13, 2001 ~ Mayer, Arizona ~ Arcosanti ~ Colly Soleri Music Center is proud to present one of Los Angeles's premier Chamber Music Groups, Armadillo String Quartet. Founded in 1980, Armadillo String Quartet are advocates for old and new music. They performed in the 20th anniversary broadcast tribute to National Public Radio, many L.A. area music societies and forums, and a series of Children's Concerts in Historic Sites. The musicians are a diverse group including Steven Scharf, Barry Socher, Raymond Tischer and Armen Ksajikian. These four have each worked across the globe: performing, recording, and instructing. We are honored they will perform at Arcosanti following a delicious Arcosanti dinner above majestic Arizona canyons.
